

## TOTAL CARE CLUB *MAINTENANCE MEMBERSHIP*

Your Total Care Club membership qualifies you for up to five plumbing visits per year — including your annual Complete Home Health Check and four additional services you can redeem anytime. Need us outside of that? You'll always get priority scheduling, no dispatch fees, and no after-hours charges — because being a member means you're always at the front of the line.

## WELCOME TO THE CLUB!

### ***Complete Home Health Check & Report***

A full visual inspection of your entire plumbing system — including fixtures, water heater, exposed piping, and drains. You'll receive a detailed report with our findings so you can plan ahead and prevent costly surprises. It's peace of mind in one visit.

### ***Sewer Cam Inspection***

Using advanced camera technology, we'll inspect the inside of your main sewer line to identify root intrusions, clogs, cracks, or buildup before they turn into full-blown backups or sewer failures.

### ***Interior Drain Cleaning***

We'll clean one slow or clogged interior drain (like a bathroom sink, tub, or kitchen line) using professional-grade tools to restore proper flow.

### ***Water Heater Flush***

Flushing your water heater once a year removes sediment buildup that can shorten its lifespan and reduce efficiency. If your unit's too old or not flushable, we'll substitute an interior drain cleaning instead.

### ***Water Quality Test***

We'll test your home's tap water for key indicators like chlorine levels, pH, hardness, and contaminants.

 ***Priority Emergency Service***

 ***No After-Hours Charges***

 ***10% off All Service Repairs***

 ***No Evaluation Fees***

 ***Monthly Raffle Entry***

# \$19.99 PER MONTH
